

Miracles of the Quran and Sunnah

The miraculous aspect of the Quran

. And indeed We created man (Adam) out of an 'extract of clay (water and earth). 13. Thereafter We made him (the offspring of Adam) as a Nutfah (mixed drops of the male and female sexual discharge) (and lodged it) in a safe lodging (womb of the woman). 14. Then We made the Nutfah into a clot (a piece of thick coagulated blood), then We made the clot into a little lump of flesh, then We made out of that little lump of flesh bones, then We clothed the bones with flesh, and then We brought it forth as another creation. So blessed be Allâh, the Best of creators.}(Al-Mu'minûn:12-14)
